► GENERAL SEARCHES

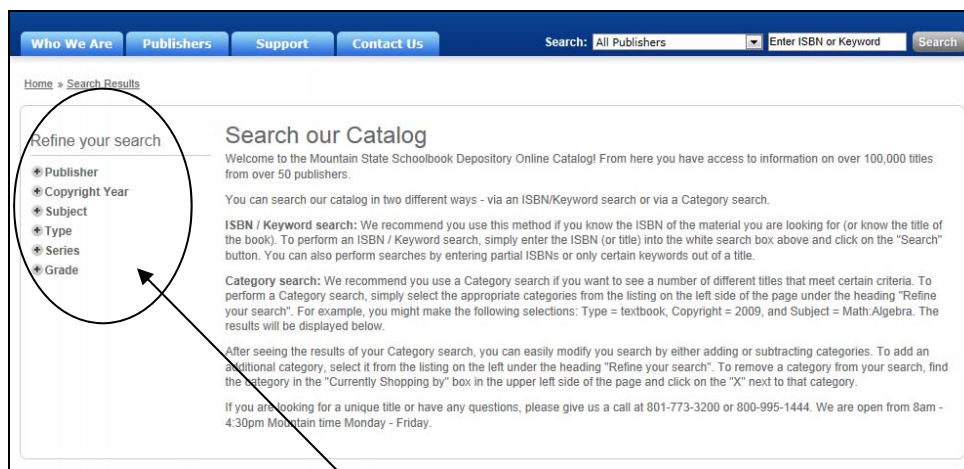

After you have created an account, you can “**Search our Catalog**” by entering a 13 digit ISBN or entering the Publisher or Keyword. ISBN’s are located on the back of your books. The ISBN is the easiest way to find your titles and to make sure you are getting the correct book.

You can also click the blue search button and find what you are looking for through a more comprehensive search (see example below).

► COMPREHENSIVE SEARCHES

SEARCH RESULTS / REFINE YOUR SEARCH/ RELATED TITLES

Not exactly sure what you are looking for? Refine your search by using what you know – the publisher’s name, the copyright year, the subject area...you may use these categories to pinpoint what you need to find.

The screen above shows all of the related items for Holt Environmental Science 2008 textbook. You can use the drop down menus to filter by grade, copyright year, or by the type of material you need - textbooks, teacher's material, workbooks, etc. In the example above, we are trying to find the Teacher's Edition for the 2008 Holt Environmental Science Textbook. Once the filtered results are listed you can find the Teacher's Edition (circled on the left side) for the 2008 copyright and simply put a check in the box to the left of the material to select that item and add to your Wish List (we will discuss building Wish Lists next).

► CREATING/MANAGING WISH LISTS

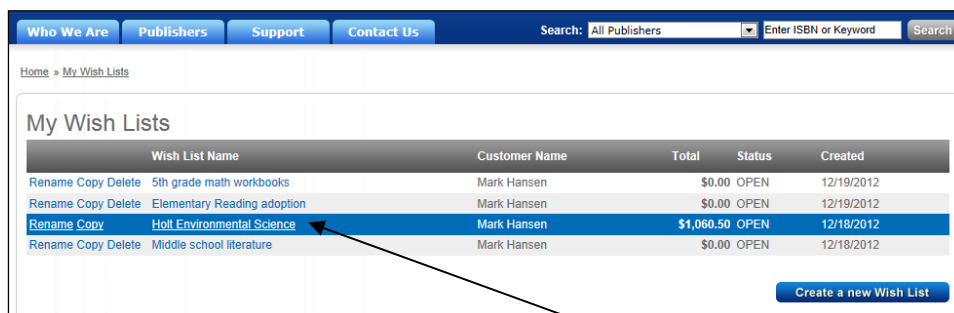

Creating a “**Wish List**” allows you to select instructional resources that reflect your needs at the classroom, building, or district level. You can create and manage multiple Wish Lists and refer to them as needed throughout the course of the school year. The Wish Lists let you quickly understand the cost of materials so that you can budget and plan accordingly.

If you want to create a new wish list select **Create a new Wish List**. We suggest using your requisition number, purchase order number, date, product title, or some other name that will make it easy for you to locate it again. In the example below we are creating a new wish list and have named it “Holt Environmental Science.”

If you have one or more existing wish lists, select **Manage my Wish Lists**. Our example below includes multiple Wish Lists.

Once you select the Wish List you would like to revise, “Holt Environmental Science,” you can view your Wish List and make necessary changes.

There are several ways to add items to your wish list:

- **Search by ISBN 13** (enter 13 digit ISBN and click search button)
- **Search by Publisher or Key Word** (select publisher from drop down menu or enter a key word and click search button)
- Click **Start New Search** button (this directs you to our catalog as explained on pages 1-3 of this document).
- Click **Quick ISBN Entry** button (add several 13 digit ISBN as explained on page 6 of this document).

Once your Wish List has all the necessary titles you can enter Quantity Charged and/or Gratis, (gratis needs approval from the publisher's representative) as well as Delete Selected titles. When your Wish List is complete simply **Save Changes** and **Add Shipping Info** (see section below)

► SHIPPING/REQUISITION MANAGEMENT

When you have finished adding items to your Wish List, you will need to fill in your **“Shipping Information,”** especially all areas with a **red** asterisk. Once you are finished filling in the necessary information you can click the blue Continue button.

Review the details on the “**Requisition Summary**” screen. If corrections are needed select the “Return to Wish List” button to go back and modify your Wish List. If you need to modify your shipping information click the “Return to Shipping Info” button. The total for your order does not include tax and shipping. Please contact Mountain State Schoolbook Depository at 801.773.3200 or 800.995.1444 about your shipping rate, or if you have further questions. Once you are satisfied that everything is correct, Print this screen to submit to your purchasing department or to add to your signed purchase order.

► QUICK ISBN ENTRY

If you already know the 13 digit ISBN for the titles you are working with you can use the “Quick ISBN Entry” button on every Wish List screen as highlighted by the arrow in the screen shot below left. Pressing that button will take you to the screen shot on the right where you can enter the 13 digit ISBN into the box provided. If you only have the 10 digit ISBN you can use the “**online ISBN converter**” which takes you to a site which will allow you to convert the 10 digit ISBN to a 13 digit ISBN. Once you have the 13 digit ISBN you can cut the ISBN’s from that screen and paste them into the Quick ISBN Entry box and subsequently into your wish list.

Add Multiple ISBNs to Workbooks for new school year

To add, please enter multiple ISBN 13 numbers separated by line breaks. All items that are found will be added to your active Wish List. A confirmation message will be displayed to indicate which items were found and what errors occurred. You will be able to modify or remove items from your Wish List after the import is complete.

NOTE: If you have ISBN 10 numbers, they will need to be converted to ISBN 13 before importing. You can use an [online ISBN converter](#) to do this conversion.
